## 2016 Summer School in China (Shanghai)

中国 上海

The history of China can be dated back to its ancient civilization, one of the world's earliest. China had the largest and most complex economy in the world for most of the past two thousand years. Since 1978, China has become one of the world's fastest-growing economies, and now it is the world's second-largest economy by both nominal total GDP and purchasing power parity.

Shanghai is the largest Chinese city by population with a population of more than 24 million as of 2013. It is a global financial centre, and a transport hub with the world's busiest container port.

Since 2013, ERC has successfully facilitated over 300 European and Chinese students' ambition—**global mobility**. The handpicked two-week summer school programme below, is guaranteed to indulge you into the rich history and culture of **ancient China**, while enjoying its extraordinary **modernization**. It will be **fun** and **inspirational**, and may even give you a completely new angle to look at the world and plan your future.
