|	Open **vclass.ammanu.edu.jo** then go to the end of the page then click on the icons for preferred store to install Moodle Mobile app.
Click on **Install Button**	

	Enter url: **vclass.ammanu.edu.jo** to connect
Enter your **username** and **password**	

The Menu	
	See your courses at glance Your courses are listed with easy access to contents, participants, grades and notes. A useful filter field lets you find a particular course quickly

Connect with course participants and teachers

Infinite scrolling improves access to the participant view, with the complete user profile now displayed and available from every page.

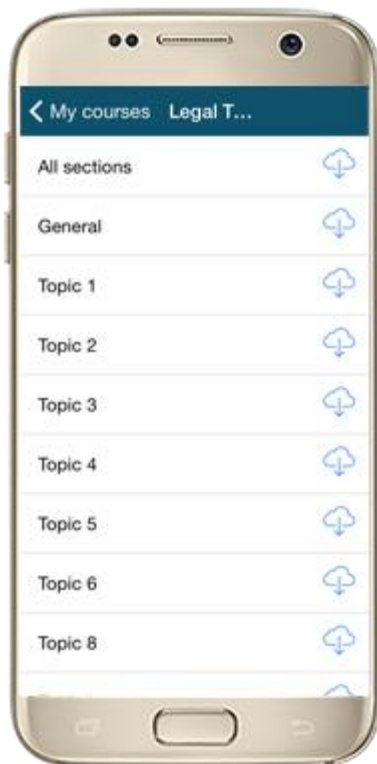

Pull to refresh

Most screens will allow you to pull to refresh, improving the real-time participation experience.

Orientation and resolution support

The app displays in portrait or landscape view, whatever your screen resolution.

Easily access course content

View course activities and download materials for offline use. Work directly in the app. The downloading status of resources is preserved even when changing sections or pages.

Message participants

Send and view private messages to colleagues and students from the Messages link in the side tab.

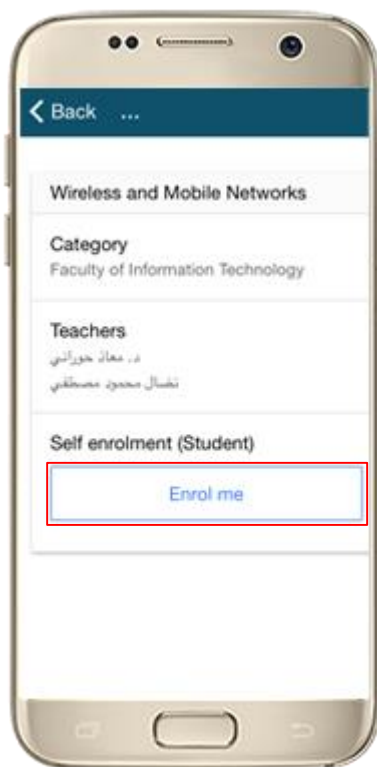

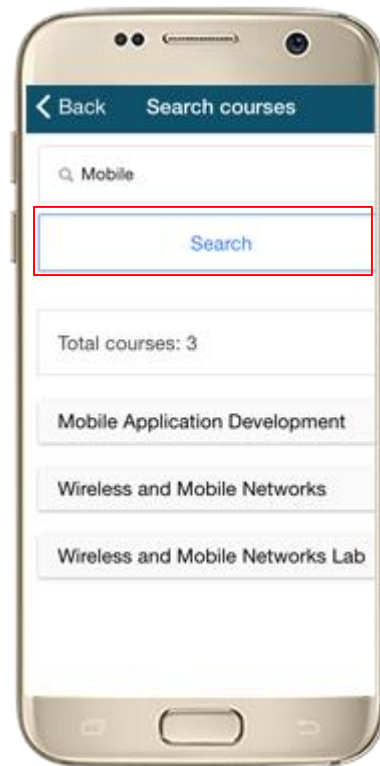

View and upload to your Private files

Check the contents of your private files and upload media to them on the go.

|	
Search the list of courses App users can search courses to find one they wish to take.	
	Enrol yourself from your smartphone Found a course you like? Enrol immediately via the app.

|
