

17 PARTNERSHIPS FOR THE GOALS

“Partnering for a Cause”

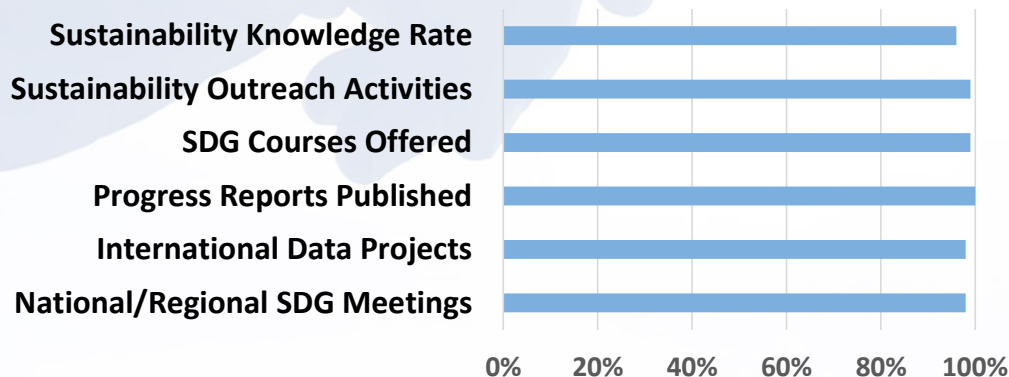

Key Focus Areas

Participation in SDG Development strategies, International Collaboration for SDG Data Collection, SDG Progress Reporting and Publication & SDG Education and Sustainability Culture Development.

Activities and initiatives achieved (2023/2024)

The University is committed to fostering a deep understanding of Sustainable Development Goals (SDGs) and cultivating a culture of sustainability within and beyond the campus community. This commitment includes developing educational and outreach programs that focus on SDGs, increasing knowledge of sustainability concepts, and encouraging sustainable practices among students, faculty, staff, and the local community. Key initiatives involve expanding partnerships with local and international institutions to exchange expertise and develop sustainability-focused academic courses, organizing conferences and workshops that address SDG topics and feature international experts, and utilizing digital technology to enhance environmental awareness through applications and educational platforms. These efforts contribute to a robust culture of sustainability, empowering the University community and surrounding region to actively support and advance SDG goals.
