Activities and initiatives achieved (2023/2024)

Al-Ahliyya Amman University (AAU) upholds a commitment to fostering an inclusive and equitable environment by adopting seven ‘protected characteristics’ groups. The university strictly prohibits unfair discrimination, harassment, and victimization based on these characteristics, as described below:

- **Race and Nationality:** Ensuring respect and equality for individuals of all racial and national backgrounds.
- **Gender:** Supporting gender equality and addressing any form of gender-based bias or inequity.
- **Disability:** Ensuring accessibility, accommodation, and equal opportunities for individuals with disabilities.
