

8 DECENT WORK AND ECONOMIC GROWTH

“Economic Stability”

Key Focus Areas

Fair and Equitable Wage, Labour Rights and Non-Discrimination, Outsourced Labour Rights, Anti-Forced Labour and Anti-Human Trafficking.

Activities and initiatives achieved (2023/2024)

As part of its duty to provide decent work and pay conditions for its staff, the University has an Enterprise Agreement in place that provides the University and its staff the freedom to bargain for better wages, greater flexibility, and working conditions to suit their individual needs. It also sets out the conditions of employment and English-language teaching staff. We have a range of research and education that supports decent work and economic growth.

An empirical assessment of the effect of natural resources and financial technologies on sustainable development in resource abundant developing countries: Evidence using MMQR estimation
Industry 4.0 technologies and circular economy synergies: Enhancing corporate sustainability through sustainable supply chain integration and flexibility
And more..
